THE AZURE KINGFISHER

🌿 The majestic azure kingfisher is the perfect size to fit into your home decor. Its vibrant plumage and iridescent glow reflect colours from bright turquoise to dark royal blue against its warm orange chest. Wildlife photographers often capture it in this characteristic pose, emerging from the water with a dynamic splash, carrying its prey to a nearby branch. That's what we wanted to recreate in this model – with a support beam that helps create an illusion of flight and motion.

SPECIES

Native mainly to Australia and Tasmania, the azure kingfisher (*Ceyx azureus*) is one of over a hundred kingfisher species found around the world.

DIET

The azure kingfisher favours small fish, prawns and other small crustaceans.

SIZE

Adults, both males and females, are typically 18 cm long and weigh around 30 grams.

INVITE NATURE IN

Being in and around natural elements inspires a strong sense of wellbeing in us. Interior design elements that connect us to nature have also been proven to help us feel happier, reduce our stress levels, enhance our creativity and clarity of thought – and even boost our productivity. As most of us spend the majority of our time indoors at work and at home, it's only natural if we feel the urge to invite the outdoors inside with us. With the azure kingfisher recreated here in its natural environment with splashing water and bulrushes (*Typha*), you can bring a refreshing slice of nature into your home.

Sven Franic, Senior LEGO® Model Designer
