

FSP

# PC Chassis CMT210

## Introduction

The FSP “CMT210” is mainstream gaming chassis. Stylish metal mesh front panel and multi side color selections help user to build up their personal stylish gaming system. Good intake airflow design and water cooling system supports high end components for better performance. Two pre-installed blue LED 120mm fans ensure whole system air-flow is sufficient.

## Features

**Dual 3.0 USB Ports**  
For high speed transferring

**120mm LED Fan**  
Two LED fans pre-installed  
in the front and rear

**Water Cooling Support**  
Clearance for 360mm front radiator

- Mid tower size with sleek and mesh design for superior cooling.
- 4 fan mounts, and pre-installed 120mm LED fan in the front and rear for optimal cooling potential.
- 7 x PCI-E expansion slots , 3 x HDD and 3 x SSD bays for supreme expandability.
- Supports high-end graphics cards max. to 360mm length, and CPU cooler to 160mm height.
- Provides clearance for 360mm front radiator for watercooling.
- Supports 2 ports of USB 3.0 for high speed transferring.
- Tools free 2.5" x 3 brackets for easy installation
