

CNE-CPB05

Compact Power Bank with Additional Type-C Input, 5000 mAh

This gadget is a great find for those who are looking for a compact power bank at an affordable price. Smart IC technology allows you to quickly charge any device without overheating, due to its ability to determine an appropriate amperage for each of your gadgets. The power bank itself can be charged using both classic Micro-USB and modern USB Type-C. A fully charged battery is enough for 1-2 charges of an average smartphone. A great thing for those looking for a reliable battery to use throughout the day!

Model

CNE-CPB05B	black	5291485006204
CNE-CPB05W	white	5291485006211

Features

Charging input: Micro USB / USB Type-C
 Micro-USB cable
 Smart IC Technology
 Capacity: 5000 mAh
 Input: DC 5V / 2 A
 Output: 5V / max 2.1 A (1 * USB)
 Dimension: 120*52*12 mm (L*W*H)
