FILL YOUR HOME WITH POWERFUL SOUND

Beoplay A9 is sleeker, more powerful and more connected than ever. Beoplay A9 4th Gen gives you exceptional, room filling sound that can be calibrated to suit the space you put it in, thanks to its Active Room Compensation feature.

This luxurious speaker can be attached to the wall with an optional wall mount accessory, or set up as a floor-standing feature to become a part of your home.

- Iconic and personalisable
- Highly connective
- Powerful, room filling sound

PERFECT SOUND PLACEMENT

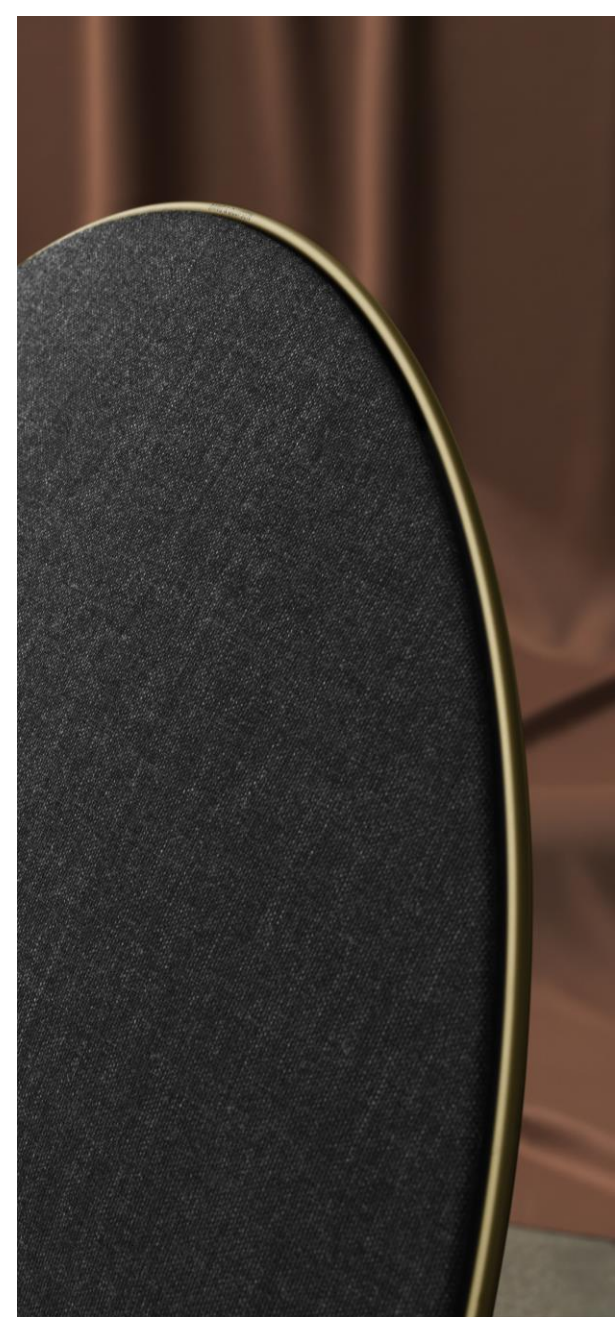

The introduction of Active Room Compensation means your speaker can compensate and calibrate its sound profile to match its position in your room.

FIND THE SWEET SPOT

Stylish legs in a variety of woods make this a particularly attractive floor-standing speaker. Choose wall mount to hang your A9 safely and securely.

FULL WIRELESS CENNECTIVITY

Supporting Chromecast built-in, AirPlay 2 and Bluetooth, A9 lets you connect to your favorite music streaming service for a seamless experience.
