CHIEFTEC

FORCE SERIES
CPS-350S // Native cable // 350WATT

Product:	PSU
Form factor:	PSII
Color:	black

The seven new power supplies of the FORCE series, ranging from between 350 and 750W are dedicated to the enthusiastic users. The newly designed ventilation grid ensures a significant improvement in air flow while the 120mm super silent fan has an optimized temperature control. With an efficiency of> 85%, it protects both the environment and the wallet while they are available in eye-catching a retail packaging.
