CARMEN

The science of absolute color

Choose excellence in color with CARMEN, EUGÈNE PERMA Professionnel's **first PERMANENT HAIR COLOR to amplify tones and shine.**

A personalized color combining accentuated undertones with extreme shine thanks to the **REFLECT MAGNETIC SYSTEM.**

The **REFLECT MAGNETIC SYSTEM** is attracted to the keratin fibers on the surface of the hair shaft like a magnet, smoothing the cuticle and forming a light-reflecting envelope that enhances its color and shine.

CARMEN lets you **show off your creativity** with a complete range of products for all the key techniques a salon colorist needs and guarantees total coverage for grey hair.
