

## GDO1N+GBN

### Single opening shower door GDO1N in a combination with a solid sidewall GBN

The latest frameless ELEGANT NEO range is remarkable with its **lightweight** and pure design, allowing the airiness and elegance of each product to stand out. But it is really unique because of its unmatched range of installation dimensions, so you won't have to limit yourself. It uses 6 mm safety glass with ROLSHIELD protective coating applied, high-quality chrome steel fittings and integrated strut. With a standard height of 2000 mm, it provides all the necessary solutions for your bathroom.
