ПРЕДИСЛОВИЕ

Пособие включает задания по лексике и грамматике английского языка, которые предназначены для учащихся 6 классов.

Материал пособия также призван помочь учителям английского языка в подготовке материалов для контроля активной лексики и грамматики, подготовки учащихся к предметной олимпиаде.

Данное пособие можно использовать для тематического и промежуточного контроля, а также для самостоятельной работы учащихся вне образовательного процесса в учреждениях образования.

Данные задания составлены с учетом лексического и грамматического материала учебника по английскому языку для 6 класса авторов Н. В. Юхнель, Е. Г. Наумовой.

Пособие состоит из 27 тестов по 9 темам. Языковой материал представлен наиболее частотными употреблениями лексических единиц, грамматических структур.

Структура и языковое наполнение заданий отвечают требованиям десятибалльной системы оценки учебных достижений. Каждый тест состоит из пяти заданий, что соответствует пяти уровням усвоения учебного материала.

«Цена» каждого правильного ответа — 0,4: І — 2, ІІ — 4, ІІІ — 6, ІУ — 8, У — 10.

В пособии представлена таблица, куда выставляются отметки за выполнение тестов. Не нужно листать всё пособие и искать отметку за тест, а достаточно взглянуть в данную таблицу.
