EcoTank L8160

Print outstanding photos up to A4 size with this wireless 6-colour multifunction printer for creative enthusiasts

Unleash your creativity with stunning A4 photos and documents at incredibly low cost-per-page. Print, copy and scan with ease using the impressive 10.9cm colour touchscreen, 5-way media handling and innovative 6-colour ink system. With no messy cartridges to replace and flexible connectivity features this is the perfect printer for the artistic modern family.

6-Colour Ink System
The Epson Claria ET Premium inks produce high-quality, long-lasting photos up to A4 size as well as outstanding black and white photos with the new grey ink. The pigment black ink is ideal for printing sharp text on plain papers.

Save Time and Money
This economical printer allows you to print up to 2,300 high-quality photos with the replacement ink bottles[1]. The bottles and tanks are designed for ease of use, meaning no hassle or mess when it's time to refill.

Modern Flexibility
With full Wi-Fi, Wi-Fi Direct, and Ethernet connectivity, you can easily integrate this printer with your existing home set-up. You can also print from SD cards and USB flash drives through the 10.9cm colour touchscreen.

Artistic Media Compatibility
The L8160 has photo-size and A4 front paper trays plus will print directly to suitable CDs/DVDs. The A4 rear tray also accepts speciality media such as craft papers and card, whilst the A4 straight paper feed means you can print on media up to 1.3mm thick and 2m long!

Epson Smart Panel App
This app enables you to control your printer from your smart device[2]. Print photos, copy documents, set up and troubleshoot your printer, and let your creativity flow with a wide range of artistic templates.

Heat-Free Technology
Engineered with Micro Piezo heat-free technology, you can enjoy consistent high-speed printing, with greatly reduced energy consumption so you can save time and money.

1. Quoted ink bottle photo yields are extrapolated based on the ISO/IEC 29103 pattern with Epson's methodology printing photos in 10x15cm format, and NOT based on ISO/IEC 29102. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower. For more information visit www.epson.eu/pageyield
2. Epson Smart Panel and Epson Creative Print require a wireless connection and the Epson printing apps. Epson Email Print, Epson Scan-to-Cloud and Epson Remote Print Driver require an internet connection. For more information, supported languages and devices, please visit www.epsonconnect.eu
