## SLOW FOOD

Anti-choking bowl to correct your pet's eating and drinking. It slows down eating and chewing. It helps your pet feeling full without overeating. It improves digestion, reduces risk of bloat and twisted stomach or intestine. It reduces stomach gas, flatulence and vomiting.

Gamelle "anti-étouffement" pour obliger votre chien à manger et boire plus lentement. Il ralentit la prise de nourriture et favorise la sensation de satiété. Il améliore la digestion, réduit le risque de "dilatation-torsion" de l'estomac et de l'intestin. Il réduit les gaz, les flatulences et les vomissements.

Anti Schlingnapf um das Fressverhalten Ihres Tieres zu ändern. Er verlangsamt das Fressen und Kauen und hilft Ihrem Tier sich satt zu fühlen ohne sich zu überfressen. Er verbessert die Verdauung, reduziert Risiko des Aufblähens und Magenoder Darmverdrehungen. Er reduziert Blähungen und Erbrechen.

Ciotola anti-ingozzamento per far mangiare più correttamente il tuo animale. Rallenta l'assunzione di cibo e la masticazione. Favorisce senso di sazietà. Migliora la digestione, riduce il rischio di gonfiore e torsione dello stomaco e dell'intestino. Riduce l'aria nello stomaco, le flatulenze e il vomito.
