

# WAKE UP FOLIO CARBON TEXTURE

For iPad mini

## Impeccable Style

The Wake Up Folio Carbon Texture is a stylish iPad mini cover. Carbon texture leather and a silk rubber coated frame looks and feels amazing. This cover also folds to prop up your iPad mini and makes typing or viewing comfortable. A special inner coating protects your iPad mini from drops, scratches and spills. Opening and closing the cover activated your iPad mini's Wake Up / Sleep function.

### Features

- **Smooth to touch carbon texture leather with rubber coating frame.**
- **One unit design for smart cover and back case protection**
- Different viewing position for optimal usage.
- All around rubber coating protect from scratches and dust.
- Open design allows complete access to all connectors.
- Wake up / sleep function, fully compatible with Apple iPad mini
