WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

Free-spirited creativity

● Bringing nature into our homes can help bring us back to our own true nature. For centuries, in every culture, birds have adorned everything from accessories to grand palaces. Revered as natural icons of freedom and eternity, these free spirits soar positive energy into your heart and your space.

La créativité en toute liberté

● Faire entrer la nature dans nos maisons peut nous aider à retrouver notre vraie nature. Depuis des siècles, dans toutes les cultures, les oiseaux ornent tout, des accessoires aux grands palais. Vénérés comme des icônes naturelles de la liberté et de l'éternité, ces esprits libres insufflent de l'énergie positive dans votre cœur et votre espace.

Creatividad de espíritu libre

● Abrirle la puerta de nuestro hogar a la naturaleza puede ayudarnos a reconectar con nuestra verdadera esencia. Durante siglos, en todas las culturas, la figura del ave ha adornado desde pequeños accesorios hasta magníficos palacios. Venerados como íconos naturales de la libertad y la eternidad, estos espíritus libres transmiten energía positiva a tu corazón y tu espacio.

Wild trends / Wilder on the inside

● As interior decor trends continue to draw inspiration from the healing powers of wild elements, it is only natural that animals – and birds in particular – have found a way to nest in our imagination, art and design.

With more than 11,000 species inhabiting our skies and landscapes, birds continually inspire us with equal parts grace, aesthetics, wit and playfulness. Their songs and tenacity carry optimism and joy, and their flight and independence awaken a sense of freedom in us.

La nature comme source d'inspiration / La nature dans nos foyers

● La décoration intérieure continue de s'inspirer des vertus curatives des éléments sauvages; il est donc tout à fait naturel que les animaux, et les oiseaux en particulier, aient su se nicher dans notre imagination, dans l'art et la création.

Avec plus de 11 000 espèces peuplant nos cieux et nos paysages, les oiseaux ne cessent de nous inspirer par leur grâce, leur beauté, leur esprit et leur espièglerie. Leurs chants et leur ténacité sont porteurs d'optimisme et de joie, et leur envol et leur indépendance éveillent en nous un sentiment de liberté.

Tendencias selváticas / Selva interior

● Si las tendencias en decoración de interiores siguen inspirándose en los poderes sanadores de lo salvaje, resulta natural que los animales (y las aves en particular) hayan encontrado una forma de anidar en nuestra imaginación, en nuestra expresión artística y en nuestros proyectos de diseño.

Las más de 11.000 especies de aves que contemplamos en nuestros cielos y paisajes son una fuente inagotable de elegancia, belleza, ingenio y espíritu lúdico a partes iguales. Sus cantos y su tenacidad transportan optimismo y alegría, y su vuelo e independencia despiertan nuestro anhelo de libertad.

Bold and bright
Audace et dynamisme
Brillo y vivacidad

● As new additions to your wall art, your LEGO® Macaw Parrots are anything but shy wallflowers. Like their real-life, intelligent and talkative counterparts, they will preen your creative feathers and add a rich pop of color and contrast to any space with their commanding size and lustrous plumage.

● Excellents ajouts à votre art mural, vos perroquets ara LEGO® sont tout sauf timides. Comme leurs semblables en chair et en os, intelligents et bavards, ils vous donneront des ailes et ajouteront une touche de couleur et de contraste à n'importe quel espace grâce à leur taille imposante et à leur plumage lustré.

● Los Guacamayos LEGO® que incorporarás a tu colección de arte mural no serán precisamente discretos. Igual que las inteligentes y parlanchinas aves reales, arreglarán con su pico tus plumas creativas y aportarán un suntuoso toque de color y contraste a cualquier espacio con su imponente tamaño y lustroso plumaje.

Surprisingly organic

- Created primarily with LEGO® System bricks, your artwork articulates a new design language that truly incorporates and embodies the versatility of LEGO elements and colors. Whether you are a seasoned builder, or this is your first experience, we hope you enjoy the effortless transition from geometric elements to smooth, organic designs.

Étonnamment réalistes

- Créées principalement avec des briques LEGO® System, vos œuvres d'art expriment un nouveau langage de conception qui incorpore et incarne la polyvalence des éléments et des couleurs LEGO. Que vous soyez un constructeur expérimenté ou un novice, nous espérons que vous apprécierez la transition harmonieuse entre les éléments géométriques et les conceptions fluides et organiques.

Sorprendentemente orgánica

- Creada principalmente con bricks LEGO® System, tu obra de arte articula un nuevo lenguaje de diseño que incorpora y encarna la versatilidad de las piezas y colores LEGO. Tanto si tienes una amplia experiencia como si este es tu primer proyecto de construcción, esperamos que disfrutes la armoniosa transición de los elementos geométricos a los diseños fluidos y orgánicos.

Bond with your birds

- Want to invite a companion to share the experience? Like macaws, we are deeply social creatures after all. Simply choose a booklet for each and let your collective creativity take flight. You can even explore and expand your LEGO® Art universe online, share your wall art and find new ideas with #brickism.

Nouez des liens avec vos oiseaux

- Vous souhaitez partager l'expérience avec un compagnon ? Comme les aras, nous sommes des créatures extrêmement sociales. Prenez chacun un livret et laissez votre créativité collective prendre son envol. Vous pouvez même explorer et développer votre univers LEGO® Art en ligne, partager votre art mural et trouver de nouvelles idées avec le mot-clic #brickism.

Crea vínculos con tus aves

- ¿Quieres invitar a alguien a compartir la experiencia? Al fin y al cabo, somos como los guacamayos: criaturas esencialmente sociales. Tomen un folleto cada uno y dejen que su creatividad colectiva alce el vuelo. Incluso pueden explorar y ampliar su universo LEGO® Art en Internet, compartir su arte mural y encontrar nuevas ideas con #brickism.

Set your birds free

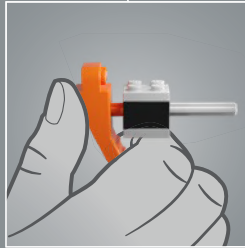

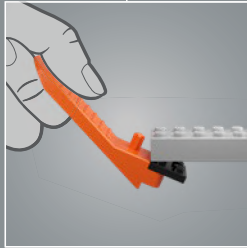

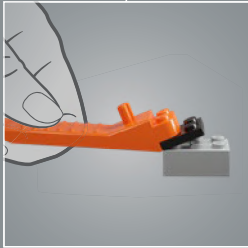

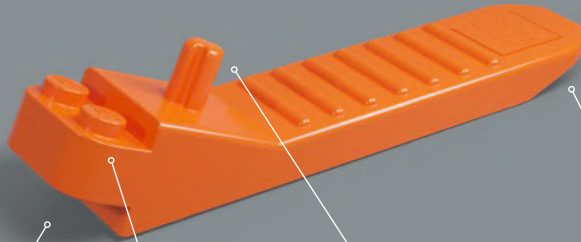

- LEGO® Art is built to live outside traditional frames. Let your birds inspire you to find the perfect place for them – whether you hang them close together or display them on their separate adventures, you can be sure they will make themselves at home on any wall in your house.

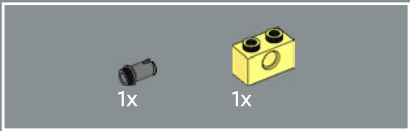

Libérez vos oiseaux

- LEGO® Art est conçu pour vivre en dehors des cadres traditionnels. Laissez vos oiseaux trouver leur place : que vous les accrochiez ensemble ou que vous les présentiez séparément, il est certain qu'ils se sentiront chez eux sur n'importe quel mur de votre maison.

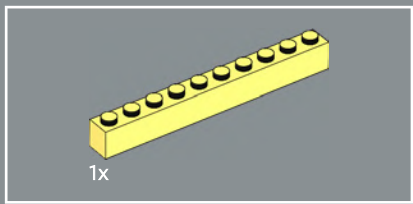

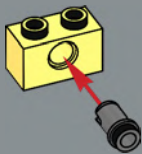

Libera a tus aves

- Los proyectos LEGO® Art están diseñados para romper con los marcos tradicionales. Deja que tus aves te guíen hasta el lugar perfecto para ellas. Cuélgalas agrupadas o exhibélas en aventuras independientes: puedes tener la seguridad de que se sentirán como en casa en cualquier pared de tu hogar.
