27

Обрезать угол

28

Рекомендуется произвести крепление изделия к стене по ниже приведенной схеме.

Внимание! Уголок установить подкрышку. Сделать вырез в дет. 05 как показано в шаг 15, для прилегания уголка к стене.

Нажать на деблокирующий рычаг и вставить внутренние направляющие во внешние, задвинув ящик до фиксации деблокирующим рычагом
