WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

Q LEGO® Builder

THE FOUR GENTLEMEN
LES QUATRE GENTILSHOMMES
LOS CUATRO CABALLEROS

PLUM BLOSSOM

The plum tree flower has long been a popular motif in traditional art. In a tradition that spans more than a thousand years, it is often portrayed in ink and wash paintings amidst a classic quartet of beautiful plants known as The Four Gentlemen, or the Four Noble Ones. Together, they represent the virtues and continuous circle of the four seasons: The plum tree (winter), the orchid (spring), the bamboo (summer) and the chrysanthemum (autumn). Sprouting its vibrant, crimson blossoms in the coldest months, the plum tree reminds us of our inner beauty and grace in times of adversity.

LA FLEUR DE PRUNIER

La fleur de prunier est depuis longtemps un motif populaire dans l'art traditionnel. Dans une tradition qui remonte à plus de mille ans, elle est souvent représentée dans des peintures à l'encre et au lavis comme faisant partie d'un quatuor classique de belles plantes connu sous le nom des « quatre gentilshommes » ou des « quatre nobles plantes ». Ensemble, elles représentent les vertus et le cercle continu des quatre saisons : le prunier (l'hiver), l'orchidée (le printemps), le bambou (l'été) et le chrysanthème (l'automne). Avec ses fleurs cramoisies et éclatantes qui poussent pendant les mois les plus froids, le prunier nous rappelle notre beauté intérieure et notre grâce dans les moments d'adversité.

FLOR DE CIRUELO

Por un largo tiempo, la flor del ciruelo ha sido un motivo popular en el arte tradicional. En una tradición que abarca más de mil años, con frecuencia la encontramos representada en pinturas de tinta y aguada como parte integral de un cuarteto clásico de bellas plantas conocido como *los cuatro caballeros* o *los cuatro nobles*. Juntas, representan las virtudes y el ciclo continuo de las cuatro estaciones: el ciruelo (invierno), la orquídea (primavera), el bambú (verano) y el crisantemo (otoño). Con el brote de sus vibrantes flores carmesí durante los meses más fríos, el ciruelo nos recuerda nuestra belleza interior y nuestros dones en tiempos de adversidad.

CREATIVITY OF NATURE

Creating decor that draws inspiration from nature is a relaxing and rewarding way to set your imagination free. As you build your plum tree blossoms in this vase, you can play with symmetry and seemingly random variants and organic shapes developing in perfect balance. From buds to blossoms, you can study the stages of this magnificent, resilient flower. You can follow the building instructions to create the curated display, but you also have the creative freedom to rearrange the flowers to grow in new directions in the grid of branches. It's the nature of creativity, fueled by the creativity of nature.

THEO BONNER,
LEGO® Model Designer

LA CRÉATIVITÉ DE LA NATURE

La création de décors inspirés de la nature est un moyen relaxant et gratifiant de laisser libre cours à notre imagination. En créant vos fleurs de prunier dans ce vase, vous pouvez jouer avec la symétrie, les variantes apparemment aléatoires et les formes organiques qui se développent en parfait équilibre. Des bourgeons aux fleurs, vous pouvez étudier les étapes de cette magnifique fleur robuste. Vous pouvez suivre les instructions de montage pour créer la décoration, mais vous avez aussi la liberté créative de réarranger les fleurs pour qu'elles poussent dans de nouvelles directions dans la grille de branches. C'est la nature de la créativité, alimentée par la créativité de la nature.

THEO BONNER,
concepteur de modèles LEGO®

LA CREATIVIDAD DE LA NATURALEZA

Crear un elemento decorativo inspirado en la naturaleza es una manera relajante y satisfactoria de dar rienda suelta a nuestra imaginación. Al construir las flores del ciruelo y su florero, puedes jugar con el elemento de simetría y las variantes aparentemente aleatorias, así como con formas orgánicas que se desarrollan en perfecto equilibrio. Además, este proyecto te permite mirar de cerca las distintas etapas de la flor de esta magnífica y resiliente especie vegetal, desde los capullos hasta la floración plena. Puedes seguir las instrucciones de construcción para crear una exhibición perfectamente curada, aunque también tienes la libertad creativa de reorganizar las flores para que su retícula de ramas se desarrolle en nuevas direcciones. Esa es la mejor expresión de la naturaleza de la creatividad alimentada por la creatividad de la naturaleza.

THEO BONNER,
modelista de LEGO®
