The colors outside the castle are all soft and sandy to keep the castle as the main focal point.

Les couleurs à l'extérieur du château sont toutes douces et sablonneuses pour que le château reste le principal centre d'intérêt.

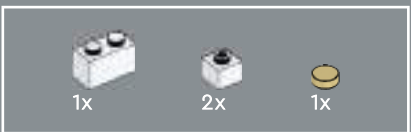

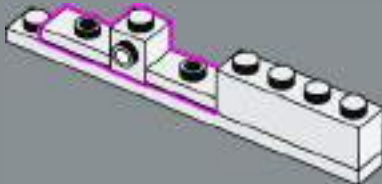

Para hacer que el castillo sea el centro de atención, por fuera de este predominan los tonos suaves y el color arena.

During the 2009–2015 renovation, several sides of the exterior scaffolding had line art drawings of the castle to keep the iconic landmark visible on the Himeji skyline.

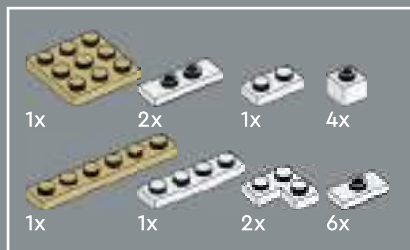

Au cours de sa rénovation, de 2009 à 2015, plusieurs côtés de l'échafaudage extérieur ont été ornés de dessins aux traits du château, afin que le monument emblématique reste visible dans l'horizon de Himeji.

Durante la renovación de 2009–2015, varios lados de los andamios exteriores estaban decorados con dibujos del castillo para que su icónica silueta siguiera siendo visible en el horizonte de Himeji.
